

**AMENDMENTS TO THE DRAWINGS**

The attached drawing sheet of Fig. 6 is a replacement sheet.

Attachment:      Replacement sheet

**REMARKS**

The Examiner objected to the specification based on the descriptions contained in the Brief Description of the Drawings section. Applicants have amended this section to correct the informalities noted by the Examiner. Withdrawal of the rejection is in order.

The Official Draftsperson has objected to Figure 6. Applicants submit herewith a replacement sheet -Figure 6. Withdrawal of this objection is likewise in order.

Applicants appreciate the Examiner's careful consideration and allowance of claims 3-6, 11 and 12.

Claims 9 and 10 stand rejected on prior art grounds; however, Applicants have elected to cancel these claims in order to advance prosecution. Applicants may elect to continue prosecution of these claims in a continuation application. In view of the cancellation of these claims, the outstanding rejection is now moot.

In view of the above amendment, applicant believes the pending application is in condition for allowance.
